

Faten Freiha

Vice President, Investor Relations, McCormick & Company

As a strategic leader in the financial communications landscape, Faten Freiha serves as McCormick's Vice President of Investor Relations. In this influential role, she is dedicated to driving a robust and proactive Investor Relations program, delivering a compelling investment narrative that highlights McCormick's growth and innovation.

Before joining McCormick in 2023, Faten held the position of Vice President of Investor Relations at BrightView Holdings, Inc., and BJ's Wholesale Club. She brings extensive experience from senior Investor Relations roles at United Natural Foods, Iron Mountain, and LPL Financial, where she honed her expertise in fostering relationships with investors and stakeholders.

Faten holds a Bachelor of Arts in International Relations from Boston University and a Master of Science in Finance from Brandeis University. Her commitment to excellence in investor communications continues to enhance McCormick's reputation in the marketplace. Faten grew up in Beirut, Lebanon and has lived in the Boston area for the last thirty years.
